PLATE · THE ARTWORK & PLACEMENT

Aditya · Sunflower of Joy

A hand-drawn mandala for joy, positivity & new beginnings

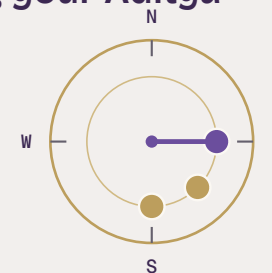

A D I T Y A · S U N F L O W E R O F J O Y

24 × 17 CM · ORIGINAL INK ON PAPER

PLACEMENT & DIRECTION

Where to hang your Aditya

- **East**
The rising-sun direction — positivity, good health and fresh beginnings.
- **South**
The fame & recognition sector — the sun's warmth for success and joy.
- **South-East**
The corner of energy and vitality — keeps the mood bright and lively.

Best in a living room, entrance or family space where its warmth is shared. Keep it clean and well-lit.

KEY · SYMBOLISM & PRICING

Aditya · Sunflower of Joy

A hand-drawn mandala for joy, positivity & new beginnings

1 The Golden Seed

CENTRE / CORE

The dark stippled centre is the seed of the sun — the still source of warmth and life from which every ray springs.

2 The Blooming Heart

INNER MEDALLION

A richly detailed heart, layer within layer, like a sunflower's face turned to the light — fullness and quiet joy at the core.

3 Rays of the Sun

RADIATING RAYS

Long beams reach outward to the very edge, carrying warmth and positivity into every corner of life.

4 Feathered Light

RAY TEXTURE

Fine hatching gives the rays their glow — the countless small strokes that make light feel alive.

5 Petals of Gladness

PETAL RINGS

Rings of little petals open around the centre: the simple, repeated joys that fill a bright life.

6 Lens of Union

VESICA LATTICE

Interlocking lens shapes (vesica piscis) — an ancient sign of harmony and the meeting of light; connection and shared warmth.

7 Shells of Fortune

OUTER FANS

Rows of shell-fans gather at the rim: an abundance of small blessings collecting at the bloom's edge.

8 Perfect Radiance

RADIAL SYMMETRY

Flawless symmetry spreads the light evenly — balance, wholeness and a life turned toward the sun.

9 The Turning Bloom

SUNWARD TURN

Like a sunflower following the sun, the mandala turns toward the light: optimism, the habit of seeking the bright side.

10 The Encircling Sun

BOUNDARY

The outer circle is the sun's full disc, holding all its rays within: unity, and warmth that embraces everything.
