PLACEMENT FOR PROSPERITY

Where to hang your Lakshmi Bloom

- **North wall** — Kubera's direction of wealth; supports money flow, career & growth.
- **North-East (Ishanya)** — the sacred corner; ideal beside a prayer or meditation space.
- **South-East** — the Feng-Shui wealth sector; also draws in abundance.

Keep the spot clean, well-lit and clutter-free, facing into the room · avoid bathrooms, storerooms and space beneath stairs.

Lakshmi Bloom

A hand-drawn mandala for abundance & prosperity

1 The Still Centre

CENTRE / BINDU

Every mandala grows from one still point — the seed of intention, the quiet source from which all abundance radiates outward.

2 Lakshmi's Lotus

INNER PETALS

The lotus is Lakshmi's own seat, rising pure from muddy water: wealth that emerges clean, whatever the circumstance.

3 Unfolding Abundance

RADIATING PETALS

Each ring of petals opens wider than the last — prosperity that keeps multiplying and expanding in every direction.

4 Seeds of Fortune

PAISLEY MOTIF

The paisley, an ancient sign of growth, holds the promise that small, well-planted intentions ripen into lasting fortune.

5 Countless Blessings

BEADED ROWS

Each bead is a blessing counted, a coin gathered — abundance received in steady, uncountable multitudes.

6 Flow of Prana

SPIRAL FORMS

Spirals carry life-force in motion, a reminder that wealth must circulate to grow. Money that flows never stagnates.

7 River of Plenty

CRESCENT BANDS

Sweeping crescents trace abundance as a moving river, always travelling toward the one who is ready to receive.

8 Devoted Practice

FINE LINE-FILL

Thousands of patient strokes fill every form — discipline made visible, the sustained intention that builds durable wealth.

9 The Expanding Field

OUTER CROWN

The outermost ring is a boundary that keeps widening: the aura of prosperity radiating from the self into the wider world.

10 The Sacred Grid

GUIDE GEOMETRY

Beneath every mark lies an invisible yantra — the cosmic geometry on which intention takes form: the architecture of manifestation.
