PLACEMENT & DIRECTION

Where to hang your Pravaha

● East (Indra)

The direction of new chapters — ideal in a study, hallway or by a desk, wherever a fresh start is being planned.

● North-West (Vayavya)

Air and movement: helps a stuck situation shift and keeps change flowing.

● North

Opportunity ahead — supports the courage to cross into something new.

At B5 this piece suits a desk, bookshelf, bedside or a small gallery-wall cluster. Place it where you pause and think — a work desk, reading chair or hallway — at eye level, with the bright spirals toward the top.

Pravaha · The Crossing

A hand-drawn abstract artwork for transition, resilience & finding your path

1 The Spiral Cloud

UPPER CORNER

A cluster of hand-drawn spirals gathers in the top corner — thoughts, memories and dreams, dense and alive, where the journey begins.

2 Dark Rivers

INKED BANDS

Wide bands of solid ink cut diagonally across the sheet — the difficult stretches every journey must pass through.

3 Bright Crossings

LIGHT BANDS

Between the dark rivers run pale, patterned bands — the stretches of clarity and relief that follow every hard passage.

4 The Lone Spiral

FAR CORNER

One small spiral rests alone in the deep dark of the far side — the self that arrives, quieter and whole, on the other shore.

5 Woven Lines

FINE HATCHING

Thousands of parallel strokes fill the bright bands — the patient, repeated effort that carries anyone across.

6 The Rocky Path

HATCHED TRIANGLES

Each bright band is paved with sharp, hatched triangles — the uneven ground of any real crossing, taken one step at a time.

7 Rising Diagonal

DIRECTION OF TRAVEL

Every band climbs from lower left to upper right — the upward pull of progress, however slow the going.

8 Ragged Edges

TORN BORDERS

The bands meet along rough, hand-torn edges rather than clean lines — change is rarely neat, and need not be.

9 Light & Dark

CONTRAST

Pure white pattern against deep ink, with no middle tone — the honesty of hard times and good times, each fully itself.

10 Hand-Inked Depths

MARKER TEXTURE

The dark bands are layered stroke over stroke, with faint spirals ghosted inside — even the darkest passage holds a pattern.
