PLACEMENT & DIRECTION

Where to hang your Kavach

- **North**

Clarity and focus — hang above a desk or study space for steady concentration.

- **East**

Fresh energy that sharpens attention and learning.

- **South-West (Nairutya)**

The grounding, protective corner — anchors stability and inner strength.

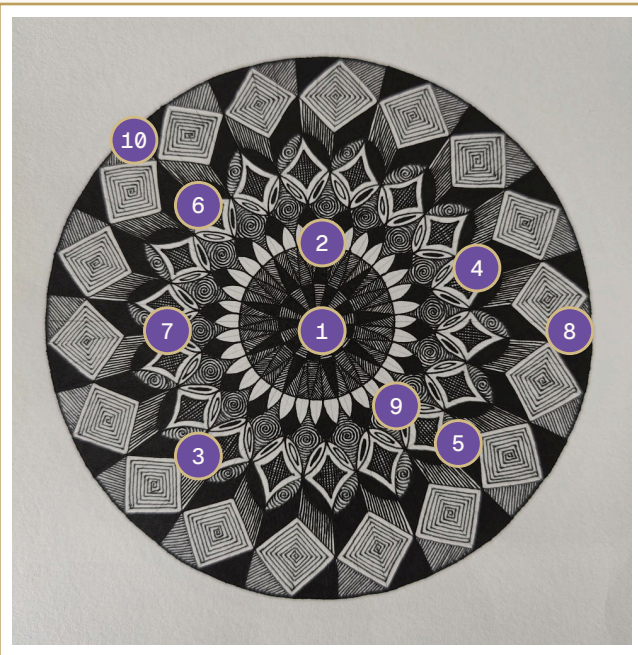

Best in a study, office or meditation space, at or above eye level. Keep it clean and clutter-free.

Kavach · Shield of Focus

A hand-drawn mandala for focus, protection & grounding

1 The Focal Point

CENTRE / CORE

A radiant starburst marks the centre — the single point where the mind gathers and all attention converges.

2 Petals of Presence

INNER RING

A ring of small petals opens around the core: the first circle of awareness, the art of being fully present.

3 Spirals of the Journey

SPIRAL MOTIFS

Round spirals trace the winding path inward — meditation drawing the mind gently toward its centre.

4 The Labyrinth Squares

NESTED SQUARES

Layered square labyrinths, an ancient sign of the guarded path: walls that protect and guide the seeker inward.

5 Diamond Wards

DIAMOND TILES

Diamonds of resilience whose facets deflect distraction and shield a focused, steady mind.

6 Woven Depth

DARK GROUND

The deep dark ground gives the pattern its pull; stillness against which focus stands out sharp and clear.

7 Concentric Guard Rings

RINGS

Ring within ring, each a protective layer encircling and safeguarding the centre.

8 Perfect Balance

RADIAL SYMMETRY

Flawless symmetry grounds the whole — steadiness, equilibrium and an unshakable centre.

9 The Turning Vortex

SPIRAL DEPTH

The design turns like a vortex, drawing awareness ever inward toward stillness and clarity.

10 The Encircling Shield

BOUNDARY

The outer circle seals the mandala: a boundary of protection holding all focus safely within.
