Kubera · Rivers of Wealth

A hand-drawn money manifestation artwork for wealth, abundance & financial flow

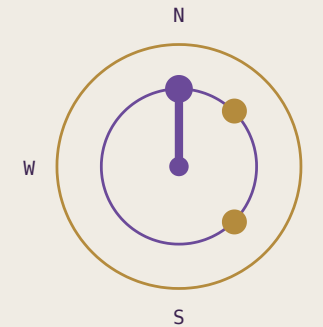

KUBERA · RIVERS OF WEALTH

A3 · 29.7 × 42 CM · ORIGINAL INK ON PAPER

PLACEMENT & DIRECTION

Where to hang your Kubera

- **North (Kubera)**

The direction of Kubera, lord of wealth — the classic wall for money art. Ideal in the living room, office, shop or above a cash counter.

- **North-East (Ishanya)**

Wealth guided by wisdom: gains that are earned cleanly and kept.

- **South-East (Agneya)**

The Feng-Shui wealth corner: fuels enterprise, sales and business growth.

Best in a living room, office, shop or reception where money is earned and welcomed — not in a bedroom or bathroom. Hang at eye level with the columns reading as rising, growing wealth; keep the wall clean and clutter-free.

KEY · SYMBOLISM & PRICING

Kubera · Rivers of Wealth

A hand-drawn money manifestation artwork for wealth, abundance & financial flow

1 The Three Rivers

THREE TALL COLUMNS

Three unbroken columns of currency climb the full height of the sheet — more than one stream of income, rising side by side.

2 Bound Bundles

TIED STACKS

Each column is built of tightly banded bundles — money saved, counted and held, not scattered.

3 The Bank Bands

END LABELS

Each stack is finished with a labelled band, like fresh currency from the bank — order, legitimacy and accounts in good standing.

4 Notes in Flight

LOOSE CURRENCY

Single notes float free beside the columns — money in motion, and the unexpected gains that arrive unasked.

5 ₹500, Again and Again

REPEATED MARK

The rupee sign and value are lettered by hand hundreds of times — an affirmation written until it is believed.

6 The Source

CASCADE AT BASE

Notes gather at the base of the sheet and rise into the columns — wealth growing upward from a foundation larger than the frame.

7 Woven Lines

FINE HATCHING

Every note is shaded stroke by stroke — the patient, repeated work that fills the bundles one bill at a time.

8 Depth & Reach

PERSPECTIVE

The columns recede into the distance and stretch nearly top to bottom — abundance that goes further than the eye can follow.

9 Room to Receive

WHITE GROUND

Wide white space is left around the columns — an open field, ready to be filled with what is still to come.

10 Multiplying Bills

REPETITION

The same note drawn over and over, each one adding to the last — the simple truth that wealth grows by accumulation.
