PLACEMENT & DIRECTION

Where to hang your Tarang

- **South (Yama)**

The direction of strength, recognition and reputation — ideal in an office, studio, gym or a founder's workspace.

- **South-East (Agneya)**

Fire and drive: fuels ambition and the will to push through resistance.

- **East**

Fresh momentum — the energy to begin, and to begin again.

Best in a workspace, studio, gym or a bold living-room feature wall. Hang at eye level with generous space around it; the piece is meant to be seen from across the room, so avoid crowding it with other art.

Tarang · Waves of Courage

A hand-drawn abstract artwork for courage, momentum & bold change

1 The Great Sweep

MAJOR CURVES

Vast arcs roll across the sheet like breaking waves — momentum too large to stop once it has begun.

2 The Barbs

HOOKED EDGES

Rows of small thorns line every edge — resilience, the sharpness that lets courage hold its ground.

3 Solid Fields

DEEP INK

Broad areas of unbroken black — commitment without hesitation, the weight behind a bold decision.

4 White Currents

OPEN CHANNELS

Bright bands of untouched paper race between the dark waves — the open path that appears when you commit to moving.

5 The Guiding Line

FINE INNER STROKE

A single thin line runs inside each white current — a thread of direction that keeps the rush on course.

6 Converging Points

TAPERING ENDS

Each curve narrows to a fine, sharp point — energy focused to a single purpose, nothing wasted.

7 Counter-Curves

OPPOSING ARCS

Waves lean into and against one another — the tension of change, and the balance found inside it.

8 Beyond the Edge

NO BORDER

The waves run off every side of the paper — movement that began before the frame and continues past it.

9 Bold Contrast

BLACK & WHITE

No greys, no half-tones: pure light against pure dark — decisiveness, and the clarity that comes from choosing.

10 Hand-Inked Fields

MARKER TEXTURE

Look closely and the black is built from countless overlapping strokes — steady, patient effort behind every sweeping gesture.
